OREGON GROWN—BETTER BLOOMING GLADIOLUS BULBS

SPRING 1934

NEW AND STANDARD VARIETIES OF REAL MERIT—NEW INTRODUCTIONS

WESTMORELAND GARDENS

7014 S. E. 20th AVENUE

PORTLAND, OREGON

All stock offered and sent out is true to name, clean, and free from disease, carefully inspected, and any bulbs not proving true to name, or faulty in any way, will be gladly replaced. No thrips.

Orders of \$2.00 or over sent prepaid anywhere in the United States. On orders less than \$2.00 add 25 cents for packing and postage.

Orders of \$10.00 and over can be sent by express at any time, others as weather permits.

TERMS: Cash with order. All orders accepted subject to prior sale.

50 BULBS FREE

To new customers, we will give 50 bulbs free, with orders over \$2.00. Bulbs will all be named varieties, labeled, blooming size, and generally of the kinds you order, although we always send extras of a few varieties we think you will like. If you already have many varieties, and wish to select some you prefer, as extras, we will send them if we have sufficient stock. However, the amount of order governs the value of extras sent.

On orders over \$5.00 we will also include two bulbs of CERISA, a new striking color, in addition to the 50 free bulbs and discounts offered below.

Our old customers may also take advantage of this offer by sending order in before April 15th.

DISCOUNTS AND WHOLESALE PRICES

On orders over \$5.00 you may select extra bulbs or bulblets to the value of 10% of your order; over \$10.00, 20%; over \$20.00, 30%; over \$35.00, 40%; over \$50.00, 50%. These discounts do not apply on special assortments or mixtures, which are priced according to amounts ordered.

Our liberal discounts are adjusted to give the larger buyers wholesale prices, instead of issuing a separate list. Our prices per 100 and 1000 are as low as can be made, considering the discounts given, and that we send prepaid. Practically all wholesale lists issued are priced F. O. B.; you pay shipping charges, collection fee, etc.

You may order 25 at the 100 rate, 250 at the 1000 rate, and if you wish to order smaller amounts of some varieties, you can do so, and get the discount according to the total amount of your order.

BEFORE MARCH 1st

Send us names and addresses of friends interested in Glads. For every such new customer sending an order of \$2.00 or more, we will send you FREE a package of bulbs worth \$1.00 or more. Write names and addresses plainly, and send immediately, so we can send them our price list.

DON'T WORRY ABOUT THRIPS

If your Glad blooms appeared blighted last year, it probably was a thrip infestation. At last, simple and effective methods have been compiled for the eradication of thrips, so you may be sure of getting good blooms this year. Put all of your bulbs in paper sacks with naphthalene flakes, one ounce to 100 bulbs, close sack up tight, and leave for two or three weeks.

This treatment will kill all insects and eggs. Infestation carried over in the soil, or carried by wind from other localities, and infesting your plants while growing, will have to be controlled by spraying.

We are preparing the very latest and most effective formulas and methods of spraying, which will stop the thrips if they appear in your plantings. These methods are simple, and if applied at the start, you will have no further trouble. Will be ready for sending, together with planting and cultural directions, with all orders.

BULBS OF QUALITY

Our crop of bulbs is the finest we have ever grown; large, clean, high-crowned, and properly cured to grow the best spikes of bloom. Not a thrip in a carload.

All varieties listed have been thoroughly tested, and are the best of their color. As it is impossible to grow all varieties, we discard a few each year to make room for newer and better ones. If you desire any we listed last year, and do not find them in our list, write us early; we may be able to supply them, as we are retaining several varieties to plant early for cut flowers.

LARGE bulbs are 1¼ inches and up to 3 inches diameter, and are generally considered best for exhibition purposes, producing the best flowers on longest spikes.

MEDIUM size bulbs, ¾ inch to 1¼ inches, give a very satisfactory spike, with florets usually as large as from larger bulbs.

SMALL bulbs, ⅜ inch to ¾ inch, are planted for increase rather than blooms, but if not planted too late, most varieties will bloom.

Three or more bulbs sold at the dozen rate; 25 at the 100 rate; 250 at the 1000 rate.

Bulbs Inspected Under Oregon State License No. 563

	Price Per	LARGE 1 1/4" up	MEDIUM 3/4 to 1 1/4"	SMALL 3/8 to 3/4"

Clean Healthy Bulbs. Satisfaction Guaranteed. No Thrips

OUR NEW INTRODUCTIONS

We have been growing for several years many thousand seedlings from the best named Glads, and will add each year to our list, a few of the very best ones as we produce sufficient stock.

During the next two years we will be growing stock of several of the finest Glads ever produced. Critics have pronounced them magnificent, wonderful, gorgeous, etc. They will be on our list for 1935 and 1936. See offer of \$10.00 worth free, on last page.

This year we are offering several new ones which are of distinctive color and compare favorably with the better standard varieties.

	Price Per	LARGE 1 1/4" up	MEDIUM 3/4 to 1 1/4"	SMALL 3/8 to 3/4"

BULBS AT LESS THAN 1/10 PRICE OF LARGE BULBS

These are the smallest size (No. 7 bulbs) under 3/8 inch. Plant about two inches deep. They start growing soon as planted, and will produce near 100% crop of larger bulbs than from bulblets, which sometimes require a month or two to sprout, and which produce an average of only 30% to 70%.

You will get some blooms from these small bulbs, but spikes will be short.

OUR CUSTOMERS SPEAK UP

“I wish to acknowledge the pleasure I am having growing the Glads which I bought from you last spring. They are all doing wonderful; wish you could see my field in bloom.”—J. H. L., Penn.

“I am pleased to advise that my order of Glad bulbs were received O. K., and I wish to thank you for your prompt handling and generous treatment.”—W. J. G., Maryland.

“Your bulbs last year were by far the nicest we ever had, and have had Glads in our garden for years.”—Mrs. R. B., Ohio.

“I’ve never enjoyed any flowers as I did the Glads from you this year. They were wonderful, and the largest and most flowers to the spike that I’ve ever grown. One Douglas had 26 flowers and buds on one spike. I never miss an opportunity to tell my friends where I got my bulbs and how inexpensive they were.”—Mrs. J. B., Oklahoma.

WE APPRECIATE YOUR PATRONAGE

In addition to the very liberal overcount and extras sent with orders over \$3.00, we are going to give \$10.00 worth of NEW INTRODUCTIONS to each customer whose orders total over \$20.00 for the three years, 1934, 1935 and 1936.

Quotations on special lots you may want furnished on request.

Our stock of several best varieties limited. Order early to avoid disappointment.

We cannot guarantee results, as growing conditions are beyond our control, but we send complete cultural directions with each order, which should enable anyone to have a wonderful garden of color.

All orders filled promptly and generously. Extras on all orders over \$2.00.
